Disability Monitoring

Dear Applicant

IMPORTANT: PLEASE NOTE

If you have a disability

The University is very supportive of students with disabilities, and year-on-year we are making adjustments to assist students with special arrangements. It may be that we have already put in place changes which will assist you – but unless we know what your needs might be, we cannot guarantee that that will be the case. If we can identify your needs sufficiently far in advance of when you intend to start a course at the University, we are better able to put in place appropriate arrangements – or, if

there is a health and safety issue or an issue about the expectations of students on the course, to advise you on alternative options. However, we may not be able to do so if we do not know in advance.

Please tell us about your disability

Please tell us about your disability, if you have one, by completing and returning the Disability Monitoring Form with your application form. Please note that all offers are made on academic grounds. You may be asked for additional information or invited to attend an interview with Disability Assist Services. This is in order that we can properly assess your individual needs and ensure that we have the best possible chance of meeting them. Please do provide any information requested and come in to see staff if asked to do so, since otherwise you – and we – could find ourselves in a position in which it is difficult or even unsafe for you to take up your place.

If you choose not to tell us about your disability

You may not wish to disclose your disability at this point. However, we may not be able to meet your individual needs if we do not have the opportunity to assess them in advance, and that could impact on your experience of the course or even your ability to take up your place.

You may feel that you would prefer to speak to someone confidentially about disclosure or that you require further information to help you decide. If this is the case, please telephone +44 (0)1752 587 676 or email Disability ASSIST Services on das@plymouth.ac.uk

So please tell us about any disability – even if you do not think it will affect you while you are at the University – and respond positively to any requests for further details or for an information interview. If you do not do so, you may find yourself unable to take up your place or unable to complete the course because we have not been able to adequately to meet your particular needs.

Please tell us if you have a disability, medical condition or dyslexia.

- [A] No disability
- [B] You have a social/communication impairment such as Asperger's syndrome/other autistic spectrum disorder
- [C] You are blind or have a serious visual impairment
- [D] You are deaf or have a serious hearing impairment
- [E] You have a long standing illness or health condition such as cancer, HIV, diabetes, chronic heart disease, or epilepsy

- [G] You have a specific learning difficulty such as dyslexia, dyspraxia or AD(H)D
- [H] You have a physical impairment or mobility issues, such as difficulty using your arms or are using a wheelchair or crutches
- [I] You have a disability, impairment or medical condition that is not listed above
- [J] You have two or more impairments and/or disabling medical conditions

Do you receive Disabled Students' Allowance (DSA)?

- [4] I have a disability and am in receipt of DSA
- [5] I have a disability but do not receive DSA
- [9] I have a disability but have not applied for DSA

Disability Disclosure

Yes

I agree to relevant information about my disability and/or support arrangements being disclosed to those lecturing and administrative staff who have a need to know. In the event that I do not take up a place I understand that this information will be shredded within a reasonable period.

No

I do not agree to disclose about my disability and understand that this may limit the support I receive. I agree to inform Disability ASSIST Services if I reconsider this decision.
